Dear Parents/Carers,

Christmas Performances

Christmas is an exciting time at Girnhill Infant School but sadly due to COVID 19 I am sure that you will have already predicted that it will not be possible to invite families into school to watch the children's Christmas performances this year. Please know that we are as sad and disappointed about this as you must be.

Christmas Cards and Gifts

We know that children like to send Christmas cards and gifts to their friends and the teaching staff at school, but this year as we want to minimise the risk of cross contamination, we are going to have to ask that the children do not send cards or gifts. Instead we would like to ask the children to draw a festive picture at home and then for parents/carers to email their picture to the class email address where the teacher will then share the photo with the class.

The safety of the children remains our priority and the staff will ensure that alongside the daily learning activities there will also be a good balance of fun activities on the run up to the Christmas holidays. As part of these activities, children will be making a Christmas card and calendar that will be quarantined, before being sent home.

We know that this Christmas will be different and challenging for us all but we will do everything we possibly can to ensure that the children have all the festive fun that is possible whilst following our Risk Assessment.

May I thank you all for your patience and understanding.

Yours sincerely
