Dear Parent/Carers,

Following the latest government update, pupils eligible for Income Related Free School Meals (IRFSM) will be entitled to receive vouchers from Monday 18<sup>th</sup> January 2021. The process for these vouchers will be very similar to the last time vouchers were issued during the previous school closure.

If your child is attending school now and you qualify for the vouchers, then we are encouraging you to receive the vouchers and to provide your child with a packed lunch each day.

School now have to share email addresses with Edenred, who will be issuing the vouchers straight to your email for all eligible pupils. Therefore, if you currently receive Income Related Free School Meals and you have recently changed your email address, please contact the school office to update your details.

We would advise you to please be patient with receiving your first voucher, as this initial rollout of vouchers may take a few days.

If you have any questions please do not hesitate to get in touch.

Thank you for your continued patience and understanding at this challenge time.

Please stay safe.
