

## Safeguarding Newsletter Autumn Term 1 2020

### Who do I talk to if I am worried?

In our class assemblies we shared our school **Child Friendly Safeguarding Policy 2020**. We talked who you can talk to if you are worried, frightened, upset or if someone is hurting you. The children know that they can speak to any of the grown-ups, as we are all here to keep everyone safe!

Please see this document on our Website under Parents and Policies tab.

### Online Safety

We live in an ever changing and developing world, especially when it comes to online games and APPS. Please visit the Net Aware website using the link below to help and guidance with appropriate games and apps for children. [www.net-aware.org.uk](http://www.net-aware.org.uk)

### **Have you filled a bucket today?**

We all have an imaginary bucket that is full when we are happy and begins to empty when we are upset, worried or unhappy. Through our values and wellbeing curriculum we learn how to be a bucket filler, this means being a good friend and making good choices. If we make a wrong choice, which is a part of growing and learning, we are a bucket dipper and this can make us and our friends feel sad, worried or unhappy. At Girnhill we all try our hardest to be **BUCKET FILLERS!!**
