Dear Parent/Carer,

We hope that everyone is safe and well following today's snowfall. Across the Wakefield area we know that many staff have had to abandon their vehicles for collection later and that it has been a really challenging day for families, with people stuck on blocked roads and arranging last minute childcare.

In order to allow families to plan for tomorrow, the Multi Academy Trust has made the decision to confirm now that tomorrow the school sites will be closed tomorrow to pupils and staff. There is likely to be a large amount of lying snow on the site and we don't know the condition of the transport network tomorrow. In addition, if we do not have enough staff on site for supervision, we would be unable to safely staff our classrooms without mixing bubbles of staff and children.

Pupils can access their remote learning materials through see saw, and we hope that this should enable the usual TEAMS calls to go ahead to support pupils.

We know how disruptive late notice is and we hope that this advance notice allows families to make arrangements;

Thank you as always for your support.

Yours sincerely
