Dear Parent/Carer,

I am writing to reassure you that there is plenty of soap readily available in school, as always, and children are being encouraged to wash their hands regularly. However, if you wish to send your child to school with their own hand gel, that is quite understandable and your personal choice. If you do decide to do so, please may I ask that these containers be clearly labelled with your child's name and class and that you reinforce to your child the importance of not sharing their hand gel with others, because of allergy reasons.

Yours sincerely
