

Respect, Responsibility, Recognition and Resilience

Tuesday 19th October 2021

is

School Streets Launch

at

Girnhill Infant School

We are delighted to share that we will be launching our school streets initiative on Tuesday morning. This project is to help keep coming to school safe. There will be some free items on offer from 8:30am to celebrate this event e.g. water bottles, water, nutrition bars etc. Look out for the team from Wakefield Council who will be waiting to see you on the grass area opposite Hardwick Road.

"Where children are at the heart of every decision to inspire brighter futures"
