

Girnhill Infant School Newsletter

18th November 2022

This week the children started off Anti-bullying week by wearing **odd socks** to school.

Throughout the week children reinforced their understanding of how to be a good friend and they developed their knowledge that bullying is a behavior by an individual or group, which is repeated over a period of time, that is intended to hurt others either physically or emotionally.

What is Bullying?

- SEVERAL
- TIMES
- ON
- PURPOSE

The secretary of the Featherstone Branch of the Royal British Legion contacted school following the Year 2 attendance at the Armistice Day Service on Friday 11th November 2022, they shared the following comments:

It was wonderful to see you all, students, staff and parents and to join with you in an Act of Remembrance for the Fallen once again.

Your students conducted themselves impeccably as usual and we very much appreciate their hand made tributes and formal wreaths. The children's tributes are very poignant mixed among the more formal tributes.

Foxes Class Visit to Featherstone Library

Foxes class visited Featherstone Library on Monday 14th November.

The children enjoyed listening to a story they then had the opportunity to look at the books in the children's section and pick a book to bring back to school.

Otters class will be visiting the library on Monday 21st November.

Please can we ask that parent/carers pre-book a meal for their child each day they attend school.

Children in Need 2022

Wow!!!

We raised £122.02 for Children in Need

Thank you!
