### Recognition of the first 2 weeks of new school year.

We have had a wonderful start to the new academic year in school.

We continue to welcome our new nursery starters in to Hedgehogs, I know that Mrs Golec, Mrs Richardson and Miss Wells are so delighted to have new friends in nursery and they are very proud of how beautifully everyone is settling in.  
Well Done Hedgehogs!!

Our new Reception children have made a fantastic start in Badgers classes and they have shown great **resilience** being in school all day and having lunch in the dining hall, amazingly well.  
Miss Robinson, Miss Milligan, Mrs Bramham and Miss Connolly are all incredibly proud of all the Badgers, Keep it up!!!

Our Year 1 children in both Rabbit and Otter Class have settled back in and are also showing wonderful **resilience** and **respect** by remembering our high expectations and values in our school.  
Wonderful job, Rabbits and Otters!!!  
Miss Khan, Miss Keeligan, Miss Smith and Miss Crawshaw are bursting with pride!

Our Year 2 children in Otters and Foxes have started the new year superbly and are modelling good learning behaviours and our school values to our younger children.  
Miss Smith, Miss Crawshaw, Miss Green and Mrs Kelly are so proud of everyone being **responsible** and **respectful**.

Well done Otters and Foxes!!

### MEET THE TEACHER

It was so lovely to see so many of our families in school on Monday and Tuesday of this week, spending

time with new class teachers.

Our Chair and Vice chair of Governors attended these meetings and spent time talking to families

about school and the value of these meetings at the start of the school year.

Here are some of the comments shared-

"Warm and welcoming, amazing"

"Always helpful with SEND"

"very supportive"

"Very helpful and we now feel like we know the teacher better and will feel confident speaking with

her"

"Nice to hear feedback on how she's getting on in first week of school"

### Reading

Reading is the most important skill your child needs to enable them to reach their full potential!

Children who read at home make more progress than children who do not, so please do spend 5-10

minutes each day reading with or reading to your child.

We love books and stories at school and we wish for you to join us with our love of reading.

Please see the dates below for invites into school to enjoy reading together.

### Stay and Read

We are inviting our grown ups into classrooms at the start of a session to spend 15 minutes reading

our reading books. These sessions will be taking place each half term and our first session for Rabbits,

Otters and Foxes will take place on

**Wednesday 5th October.**

On this morning please come into class with your child at the start of the day and enjoy reading

together.

### Story time with Mrs Littlewood
