**TO ALL PARENTS REGARDING INDUSTRIAL ACTION
National Education Union (NEU) Strike Action on Weds 15th March & Thurs 16th March 2023**

Dear Parent/Carer,

Further industrial action by the National Education Union (NEU) is planned for **Wednesday 15th March and Thursday 16th March.**

I am contacting you to give you as much notice as possible that learning may be disrupted on these days and depending on the availability of teaching staff, we will be considering several options in response to a risk assessment, which might lead to the requirement to close some classes.

We recommend that you begin to consider alternative childcare arrangements for this date in the event that this becomes necessary. At this stage we are working closely with our staff to keep up to date with the situation, and wherever possible to confirm the likely impact of the strike action being taken by colleagues within the NEU.

Equally, we are following all the necessary guidance available to allow us to manage the impact of the strike action in an appropriate manner and to ensure the continuity of normal arrangements where possible. Whilst this matter is out of our immediate control, we do appreciate that this may be frustrating for some parents and carers, and we can only apologise for the potential disruption that might be caused.

At this point, we are expecting the strike to have **no impact** on our usual school day.

With this in mind, we hope to give you an update to our normal arrangements as a result of the strike action but please be aware that the situation could change right up to the actual day of the strike.

Please rest assured that our priority will be the safeguarding of our children and ensuring our school arrangements ensure the safety of pupils.

Yours faithfully
