Respect, Responsibility, Recognition and Resilience

Reading at Home

It has been a really positive week in school with lots of home reading taking place, which is absolutely fantastic!!
Well done everyone!!

Stay and Read

We have also welcomed families in to school for our stay and Read events. The children do love having their grown ups in class with them looking at and reading stories.
Look out for next terms dates coming out next week!!
Thank you to all of our families who joined us this week!!

Thank You!!

This week we have had some blustery, windy days and this has unfortunately caused some damage to our canopy roof in the badgers outdoor provision area. We therefore made the decision to close this and the surrounding area whilst the winds were strong to keep everyone safe. The roof has now been repaired and we are having a new one fitted over half term.

We would like to take this opportunity to thank our Nursery and Badgers 2 parents for your patience and understanding this week, during this disruption.
We really do value your co-operation and continued support!!

Year 1 Bikeability

Our Year One children have had so much fun this week learning bike riding and balancing skills. The shrieks of delight and smiles on faces when were achievements were made were fantastic to hear and see!!
What a great example of showing resilience in our learning!

ClassDojo

Class Dojo is becoming an integral part of home/school communication and it is so lovely to have so many of our families signed up to our home/school communication platform. If you have not already signed up to Class Dojo, please contact the school office.
