

The role of the PLO

- Give independent advice and information on CE
- Support to formulate individual safeguarding plans which are parent led
- To raise parents' awareness of how to gather information and intelligence with the view to disrupt exploitation
- Listen and 'be present' for parents who need to share their thoughts, feelings and experiences of living with CE without judgment.
- Be an advocate between parents and statutory services.
- Provide witness support
- Sign post to other relevant services such as Counselling
