

# Girnhill Infant School

"Where children are at the heart of every decision to inspire brighter futures."

## Weekly Overview

Thank you to everyone who has celebrated harvest festival with us. I hope you enjoyed it as much as we did. The children have been working hard with their learning in school and enjoyed being able to share that with you all. In school.

Here are some photos of what has taken place in each class this week:

Hedgehogs enjoyed their school library session.

Children accessing squirrels used their fine motor skills to feed the hungry caterpillar.

Badgers have been learning about local artist, Barbara Hepworth. They have created their own sculptures.

Rabbits have been practising partitioning quantities using a part whole model.

Otters have been learning about Harvest and making autumn artwork

Foxes have been acting out living in the trenches in World War 1. They enjoyed using drama and role play. They used this to help them to write a letter to a loved one.

## Parental conduct on school premises

It has been brought to our attention that some parents have used foul or abusive language whilst on school premises. We are a zero tolerance school and accept no form of abuse towards any member of our school community (members of staff, children and families).

If any member of our school community has an issue that needs to be addressed, this needs to be brought to the attention of the school directly, in the first instance. We urge you not to address any matters with other children or parents directly whilst on school grounds.

I hope you will all join me in ensuring our school premises are a place for kindness and respect. We are all in this together.
