

# Girnhill Infant School

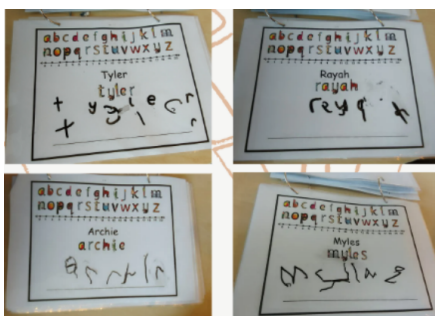

"Where children are at the heart of every decision to inspire brighter futures."

## Weekly Overview

We have had another great week here at Girnhill. We have enjoyed our stay and read mornings. Thank you to all of our families who joined us to celebrate and share our progress in reading. We have also been fortunate that our Year 1 children have taken part in Bikeability. The children have had such a great time and developed new skills!

Here are some photos of what has taken place in each class this week:

Hedgehogs have been practising their name writing. Well done Hedgehogs!

Squirrels have been practising their turn taking using 'my turn, your turn'

Badgers have been lucky enough to have an author come into school and read their story!

Rabbits have been making voids in their sculptures

Otters have been enjoying their reading buddies time

Foxes have been practising their art skills in the style of Barbara Hepworth

## SMSC Question of the Week

Focus text: We're all wonders  
This is a heartwarming and uplifting story about how we should change perceptions and always choose to be kind.

★ **“SHOULD WE TREAT PEOPLE DIFFERENTLY BECAUSE OF HOW THEY LOOK?”**

Influential Individual: Jono Lancaster ★

Jono Lancaster was born with Treacher Collins syndrome, which causes facial differences. Jono was treated differently at high school because of how he looked. Jono is now an author, presenter and public speaker advocating to make facial differences more widely accepted.
